

Keystone Code

Our community welcomes everyone and includes all, no matter their shape, size, color, gender, background, disability, or beliefs. We uphold four fundamental values.

Compassion

Treat others as you would be treated; consider their perspectives.

You value the diverse perspectives, backgrounds, and opinions of others, even when different from your own. You appreciate that all viewpoints come from the life experiences of fellow human beings. You understand that online interactions impact real people in real ways, both offline and online.

Integrity

Be honest, be committed, play fair.

You behave honorably and honestly. You take responsibility for your words and actions. While playing games, you honor the rules and spirit of honest competition.

Respect

Respect all other humans, teammates and competitors alike.

You respect everyone regardless of their background, identity, physical appearance, or beliefs. Even in competitive gaming where “trash-talk” is common, you are a good sport and respect opponents as fellow human beings, keeping the banter to the game, not ever making it personal.

Courage

Be courageous in competition and in standing up for what is right.

You have the courage to moderate your own behavior, speak out against harassment, and report violations by others. You do not tolerate harassment or hate speech of any kind, even when you are not directly involved.
